

The International Journal of Tuberculosis and Lung Disease

Author Checklist

Before submitting your article, please ensure that you have provided the following (see Instructions for Authors for details). Please note that missing elements will result in your article being returned to you.

For all articles

In the same Word file:

- Title page, containing title (maximum 110 characters and spaces) + author names and affiliations + corresponding author name and address + running head (45 characters and spaces) + summary (when requested) and text word count, no. of references, tables and figures
- Manuscript with 1.5 or double spacing
- Continuous line numbering (1-∞) added throughout text, for ease of reference (click on File, Page setup, Layout, Line Numbers, Add numbering, Continuous numbering)
- Ethics statement and details of informed consent included in Methods section
- Acknowledgements with details of funding and authors' respective contributions and conflicts of interest clearly described
- References in correct Journal style (Vancouver, superscript in text)
- References cited consecutively throughout the text (references in tables/figures are numbered according to where the table/figure is cited in the text)
- Tables in correct format and at end of text (after references) on separate pages in the same document
- Figure legends after the tables on a new page
- Figures uploaded separately in image files or embedded in the Word file
- On acceptance, all figures must be supplied in editable format (Excel, Word, PPT) or in high-resolution image files (PNG, TIFF, PDF)

- Once the submission process is complete and the article has been checked, the corresponding author will receive a request to log on again to submit an electronic copyright form directly on the website
- On acceptance, all listed authors will be contacted to submit an electronic copyright form directly on the website. Note that all forms need to have been submitted before the article is sent to press.
